### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious in a double-wound center-feed roll having a least two webs with regularly spaced lines of weakness, the lines of weakness of the first web being offset from the lines of weakness of the second web the provision that a first portion of the first and second webs at the center of the roll is bonded to form a bond between the first and second web and wherein a second portion of the first and second webs remains unbonded as set forth in claim 1. Further in a corresponding method as set forth in claim 16 the provision that a bonder is activated at the start of the formation of the roll wherein a first portion of the first and second webs is bonded to form a bond between the first and second webs at the center of the roll and the bonder being deactivated prior to completion of the roll wherein a second portion of the first and second webs remains unbonded, is nowhere shown in nor obvious from the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
